G Known, Suspected or Likely Releases to the Environment:

Place an X in the appropriate boxes to indicate any known, suspected, or likely releases of wastes to the environment.

☐ Known ☐ Suspected ☐ Likely ☒ None

Note: Items H and I are optional. Completing these items will assist EPA and State and local governments in locating and assessing hazardous waste sites. Although completing the items is not required, you are encouraged to do so.

H Sketch Map of Site Location: (Optional)

Sketch a map showing streets, highways, routes or other prominent landmarks near the site. Place an X on the map to indicate the site location. Draw an arrow showing the direction north. You may substitute a publishing map showing the site location.

I Description of Site: (Optional)

Describe the history and present conditions of the site. Give directions to the site and describe any nearby wells, springs, lakes, or housing. Include such information as how waste was disposed and where the waste came from. Provide any other information or comments which may help describe the site conditions.

This site is located on the near north side of the city of Peoria. The area is bounded by light industrial and commercial businesses and the Illinois River. The plant started operation in the 1920's and has approximately 450 employees.

This location contains a paper mill and a paper bag factor. The hazardous waste is generated and stored at this location until proper disposal or re-cycling can be accomplished. The waste is stored in drums and approximately only (15) 55-gallon drums of hazardous waste will be at this location at any one time. No disposal or re-cycling takes place at this site. Our Federal EPA I.D. number is ILD 006215727.

J Signature and Title:

The person or authorized representative (such as plant managers, superintendents, trustees or attorneys) of persons required to notify must sign the form and provide a mailing address (if different than address in item A). For other persons providing notification, the signature is optional. Check the boxes which best describe the relationship to the site of the person required to notify. If you are not required to notify, check "Other".
